- Members art gallery was approved of as an activity for the meeting, i.e. 3 pieces of art & 1 minute to speak. Good for creating connections and getting to know each other's work.
- Laurie Fendel should be addressing new critique group formation.

Future Education Events:

- Sharon to contact Golden art supply rep to do a program for April 3 or May 1 event (2-4pm). They do a 2 hour presentation on what's new and how to use the products with various mediums + gift bags 😊
- Eddy suggested a meeting targeting painters featuring Frank @ Rose Schnitzer—an artist/professor who designed an amazing ark and is only a small part curmudgeon.
- Sharon will work on scheduling an artist tour for June/July and a booth/sales educational event for the fall.

Next Meeting: March 9th @JCC 10-12 (Visioning)
